## Candidates Debate on Education *Demand excellence for Ontario's students*

Join Moderator Piya Chattopadhyay (from CBC and The Agenda) for a local candidates debate focused completely on education.

Meet candidates in the Oct. 6 provincial election and tell them why public education is important. Tell them what you value and what changes are needed. Talk about the:

- need for **great teachers and principals**.
- pros and cons of allowing fundraising
- quality of **school buildings and facilities**.
- challenges facing **special education**
- demand for **playing fields and pools**.
- importance of supports for **new immigrants**.
- **Provincial funding formula**.

This is your chance to make sure our politicians are talking about the issues that matter to you.
