We demand that the government:

Reverse the cuts to public education including:

- Reinstatement of Indigenous-led curriculum writing sessions. Reinstatement of the full Health Curriculum including health education that includes transgender children.
- Reinstatement of all education worker positions that have been cut to ensure adequate staffing and supports, including but not limited to Teachers, Education Assistants, Special Needs Assistants, Custodians, Psychologists, child and youth workers, social workers, International Language Instructors and Library Workers.

Provide a fully-funded public education system that includes:

- Low class caps and excellent needs-based support to ensure all kids have the support they need to reach their potential
- No mandatory e-learning
- Well-maintained, safe buildings
- Equitable enrichment opportunities across the system for all and reduced reliance on school-based fundraising.
- Provide an inclusive curriculum that respects the diversity of our students and educators.
- Protect Full-Day Kindergarten
- Provide quality, free, safe, universal public childcare
